SKILLS

FLUTTER DEVELOPER

As a **Flutter** developer, I am excited about building beautiful and functional mobile applications. I have experience working with Flutter's state management library, **Provider, Bloc** and using Firebase as database. I am eager to continue learning and enhancing my skills in Flutter development to build amazing apps .

Technologies

- Flutter
- Provider State Management
- Firebase Realtime Database
- BloC State Management
- Shared Preferences
- Sqli Lite
- Flutter Flow

FRONT END DEVELOPMENT

As a front-end developer, I have a passion for creating visually appealing and user-friendly web experiences. With expertise in HTML, CSS, and JavaScript, I am skilled in crafting responsive interfaces and delivering high-quality code.

Technologies

- HTML
- CSS
- JavaScript
- jQuery
- BootStrap
- Core PHP
